MEMORANDUM FOR: Director, Strategic Warning Staff
SUBJECT: DCI's Comments on SWS Weekly Alert List
REFERENCE: Telephone Conversation with [REDACTED]
on Subject, 31 December 1975

25X1

1. On the 24 December issue of the weekly SWS Alert List, the DCI addressed some comments to the D/DCI/IC which need to be checked into. The DCI wrote:

Should there not be an (or more) addressee(s) of each question? They sound a bit plaintive, and I would think that SWS could pinpoint the collectors or producers most likely to obtain the answers, and attract their attention more directly by naming them as a direct questionee--What think?

2. Lt Gen Wilson asked PRD to check into this for him and provide a brief action report for the DCI through the D/DCI/IC. I would appreciate any comments the SWS has on the DCI's suggestion and will call on Monday, 5 January to set up a meeting so we can finalize a report for the DCI.
